## KCC Summer Camp Water Activities Permission Slip

Throughout the summer, the KCC Summer Camp Programs visit places that have water amenities. These trips may include Portsmouth Outdoor Pool, Wallis Sands Beach, Fort Foster, New Castle Common, State Parks, Aquaboggan Water Park, Splashtown Water Park, etc. Most of these locations have lifeguards on-site, but a few do not.

State licensing rules require those children 8 years of age and under to wear Coast Guard approved flotation devices at all times while in the water at non-lifeguarded areas unless approved by a parent/guardian. Children over 8 years of age must wear a Coast Guard approved flotation device if the child has not taken swim lessons unless approved by a parent/guardian.

I, \_\_\_\_\_ give permission to the Kittery Community Center's Summer Program Staff to permit my child, \_\_\_\_\_ to swim at the various locations with water amenities. My child is \_\_\_\_\_ years old and is a:

- \*\*Non-swimmer (is not comfortable in the water, no swimming skills)\*\*
- Moderate Swimmer (comfortable in water, knows how to swim safely)
- Expert Swimmer (has taken lessons, can swim safely, very comfortable in water)

\*\*If you checked off Non-swimmer, you are responsible for providing us with a proper fitting life vest that we will bring with your child to all water activities. Please put your child's name on the life vest. \*\*
